Dear Youth Work Professional:

Boys Outdoor Leadership Development (BOLD), an outdoor education program of the Metrocenter YMCA, is offering you the opportunity to award a scholarship for a 2010 BOLD Mountain School expedition to any deserving young man. Each scholarship is worth:

\$300 towards any Level 1 summer expedition (5 – 7 days)

- OR -

\$450 towards a Level 2 summer expedition (14 days)

Simply put: \$325 for The Cascade Challenge minus this \$300 scholarship = Family pays \$25!

This scholarship is intended to provide an opportunity for a young man to participate on a BOLD Mountain School expedition who would otherwise be unable to afford it. On each BOLD expedition young men have the chance to develop leadership and life skills through outdoor adventures such as backpacking, fishing, rock climbing, photography, and mountaineering. The YMCA is committed to providing the support, training, equipment and assistance necessary to make a BOLD expedition accessible and successful for all participants. **Each student that receives a scholarship award will also be provided with all the clothing and equipment needed for their expedition.** Please note that although our students come from many different backgrounds YMCA BOLD is not an at-risk/wilderness therapy program and is not appropriate for students with significant behavioral issues.

To award a scholarship please:

- 1) Complete your contact information below.
- 2) Have the recommended student's family complete the pre-registration form (over).
- 3) Write a short (1 paragraph) letter detailing why you are awarding this scholarship and why you think a BOLD Mountain School expedition will be a successful experience for your student.

After completing the three steps above your student will be awarded this scholarship.
